Security Officer and Security Coordinator	1	

2. Make sure, that security guards will be pre-trained at least two (2) weeks before the execution (start) of contract and before actual posting. Furthermore, they should be familiar with the locations of all fire extinguishers alarms, exits, and the like. During this transition period, the security company shall be responsible on the training and information on security services of all the security guards including the duties and responsibilities as contained in these specifications before the actual start date. Penalties and/or assessed fees may result from improper pre-training on these procedures and shall be deducted from the Security Agency monthly statements at the discretion of the Calamba Water District. The Security Agency may contact the Calamba Water District Security Officer for further information on when and how to begin the procedure for pre-training. In case replacement of a guard, the latter must also undergo pre-training for two weeks prior to issuance of a clearance before manning any CWD post.
3. Make sure that all security guards are commissioned and armed at all times while on duty at their respective place of assignments (Firearms required by RA 5487). Likewise, security guards must wear proper and complete guard company uniform as prescribed under RA5487.
4. Make sure that security guards are on duty round the clock at their respective areas of assignments from Monday to Sunday including holiday. The following are the prescribed schedule for the locking and unlocking the door / gate within the CWD Premises.

AREA	TIME	
	LOCK	UNLOCK
1. Calamba Water District Main Office Buildings	6:00 pm	6:00 am
2. Canlubang Extension Office and its Facilities	6:00 pm	6:00 am
3. Bucal Pump Station, Intake box and Spring, Upper Reservoir, Storage Room and Its Facilities	5:00 pm	6:00 am
4. Calamba Water District Warehouse and Dispatching area	5:00 pm	6:00 am
5. Calamba Water District - Calamba Shopping Mall Collection Office (CSM)	5:00 pm	6:00 am

5. The guard on duty must at all times secure all doors and gates within the premises of CWD. In case of an open or unsecured door or gate, the guard shall secure the same and record the aforesaid incident in the security report.
6. Make sure that only authorized personnel, CWD employees and visitors with proper identification are allowed to enter CWD Premises. Employees, on the other hand, are not allowed to enter CWD premises on non-regular working hours unless authorized by their respective supervisors and/or Department heads. All CWD employees entering and leaving CWD Premises with prior approval from their superior are required to accomplish the log in and out CWD Form which must be properly monitored by the guard on duty. Moreover,

visitors must obtain a visitor's pass and accomplish a visitor's slip before entering the CWD building.

7. Make sure that the security guard on duty is equipped with hand held detector to check paraphernalia's and conduct body search to persons entering CWD premises.
8. The security guard must patrol the area once every hour and log all data entries in a record book during each period. The guard on duty will be provided with a logbook at the beginning of each shift. The patrol will be conducted 24 hours form Monday to Sunday including holidays.
Note: the proper use and safekeeping of logbook is the responsibility of the security guard and the security agency.
9. Make sure that the security guard maintains daily journal describing all activities that occurred during the shift. The daily shift report shall be collected everyday at 8:30 am by Administrative Department.
10. The security guard on duty shall checks all materials and equipments delivered and released from Calamba Water District premises and records them in form to be provided by CWD.
11. Make sure that the security guard on duty logs all vehicles entering and leaving the CWD premises including the time of arrival and departure, the assigned driver and the vehicle plate number. Likewise, the security guard must inspect all vehicles entering and exiting its premises including vehicles to be used in emergency or overtime work. Approved gate pass for equipment and Trip Ticket for service vehicles must be inspected and recorded (in and out) respectively by the guard on duty before allowing the employee to leave the premises of Calamba Water District.
12. That the security guard on duty shall check and record the condition of the service vehicles and motorcycles upon parking at the designated area. The checklist containing the inspection report should be submitted to the Administrative Department the following day, on or before 8:00 in the morning. Furthermore, security guards are not allowed to operate nor use any CWD equipments, tools, vehicles and/or facilities for any purpose without authorization from the Administrative Department.

Note: Expenses incurred for the repair of unreported damage of service vehicles shall be automatically charge to the security agency.

13. Make sure that the security guard do not work more than twelve (12) hours. The normal shift schedule should be 6:00 am – 2:00 pm , 2:00 pm – 10:00 pm, 10pm-6:00 am. Strict compliance on overtime as provided in the labor code shall be responsibility of the Security Agency. All security guards are required to punch their individual timecards in the CWD Bundy Clock from the time they report for duty until leaving their post for the next shift. Likewise, the guard on duty will not be allowed to vacate his post for the subsequent shift unless the next

security guard arrives. Make sure that all posts must have a bundy clock for proper monitoring of guard schedule.

14. The security guard is mandated to perform any and all other duties as required by the circumstances to assure safety and security of all personnel, concessionaires and visitors within the CWD Premises.
15. To record and forward service and/or emergency services calls, as directed and received between 5:00 pm to 8:00 am, from Monday to Friday and on Saturday and Sunday including holidays for 24 hours to the assigned Engineering Supervisor on call, or other person directed/ assigned to do the same.
16. The security guard on duty shall not keep nor possess any type of alcohol beverage or prohibited drugs within the Calamba Water District premises at any given time and must not be under the influence of alcohol nor prohibited drugs while on duty.
17. To ensure that security guard treat personnel, visitors, especially the concessionaires with outmost courtesy.
18. The security guard must have communication equipment that will be used for the continuous and uninterrupted communication of one another including their security officer in charge and/ or service dispatcher.
19. Make sure that the security guards do not bring visitors and/or animas with them within the Calamba Water District premises for any reason or at any given time.
20. For each violation of the provisions of the contract, a corresponding penalty may be assessed and deducted from the security services charges. Non-performance will include, but not be limited to absenteeism, tardiness, not making the required rounds and/or not punching the timecard properly and non-compliance to the specification contained herein.
21. In case of abandoning the premises at any given time or for any reason, a penalty will be based on the damages incurred therein by the incident per shift and may be assessed and deducted from the security service charge.
