

SPECIFICATIONS

Industrial Air Purifier

Dual Air discharge orientation vertical/horizontal
Wall mounted to save space
Duct option for negative pressure rooms

Filter Orientation:

Activated carbon — HEPA Filter- Fan Motor

Air Delivery:

Hi3 HEFA
Impregnated Activated Carbon Primary Filter

Power:

150 watts 22rJv 60hz

Dimension:

24Lx12Wx24"H

Filter Capacity:

15- 20 sqm for VoCs and Air Pollutants

Material:

Housing Aluminum

Filter Frame:

Aluminum Activated Carbon Filter

Frame:

Beverages Board
